

Marlow Sailing Club - Application for Membership

We welcome members and their families who want to participate in sailing activities on the river. Membership covers the applicant, spouse/partner and their children under 18 years of age.

Applicants with their own boat can apply for a boat-space (subject to availability). For applicants without a boat, the fee includes a contribution for use of the Club's boats. Two or more applicants sharing one boat may be accepted at the Committee's discretion.

All applications for membership are subject to acceptance by the committee.

I hereby apply for membership of Marlow Sailing Club. I promise to absolve the Club and its committee from any liability for damage to myself, guests, or property from any cause whatsoever, whilst engaged in the activities of the Club. I further agree at all times to abide by the Constitution, Site Guidelines and any subsequent amendments, and to insure my own boat(s).
